

Review Results of Subparagraph 2 Eligibility Requirements for Food Technologist Exam

No.	School Name	Department Name	Date of Promulgation
1.	National Taiwan Ocean University	Department of Food Science—Division of Food Science (undergraduate program) Department of Food Science—Division of Biotechnology (undergraduate program) Department of Food Science (continuing education bachelor's degree program) (undergraduate program)	2012.11.12
2.	National Chung Hsing University	Department of Food Science and Biotechnology (continuing education bachelor's degree program)	2012.11.12
3.	National Chiayi University	Department of Food Science (full-time undergraduate program) Department of Food Science (continuing education bachelor's degree program)	2013.03.12
4.	National Kaohsiung Marine University	Department of Seafood Science (four-year full-time technical program) Department of Seafood Science (four-year continuing education technical program)	2012.08.09
5.	National Kaohsiung University of Science and Technology	Department of Seafood Science (four-year full-time technical program) Department of Seafood Science (four-year continuing education technical program)	2018.04.23
6.	National Pingtung University of Science and Technology	Department of Food Science (four-year full-time technical program) (four-year evening technical system)	2012.08.09
7.	National Ilan University	Department of Food Science (undergraduate program)	2012.11.12
8.	National Penghu University of Science and Technology	Department of Food Science (four-year technical program)	2012.08.09
9.	Fu Jen Catholic University	Department of Food (undergraduate program)	2013.05.14

No.	School Name	Department Name	Date of Promulgation
		Department of Nutritional Science—Division of Food Science (undergraduate program)	
10.	Chinese Culture University	Department of Nutrition and Health Sciences(undergraduate program)	2012.11.12
11.	China University of Science and Technology	Department of Food Science (four-year full-time technical program)	2013.03.12
12.	Taipei College of Marine Technology	Department of Food Technology and Marketing Management (four-year full-time technical program)	2012.05.08
13.	Ching Kuo Institute of Management & Health	Department of Food and Health Science (four-year full-time technical program)	2013.03.12
14.	Tunghai University	Department of Food Science (undergraduate program)	2012.08.09
15.	Providence University	Department of Food and Nutrition—Division of Food and Biotechnology (undergraduate program)	2012.08.09
		Department of Food and Nutrition—Division of Bio Resources and Food Technology (undergraduate program)	2014.05.12
16.	Hungkuang University	Department of Food Science and Technology (four-year full-time technical program)	2012.05.08
		Department of Food Science and Technology—Food Technology Division (four-year continuing education technical program)	2012.05.08
		Department of Food Science and Technology—Baking Technology Division (four-year continuing education technical program)	2015.07.16
		Department of Food Science and Technology—Food Technology Division (four-year full-time technical program)	2017.03.10
		Department of Food Science and Technology—Baking Technology	2017.03.10

No.	School Name	Department Name	Date of Promulgation
		Division (four-year full-time technical program)	
17.	Yuanpei University of Medical Technology	Department of Food Science (four-year full-time technical program) (The school was renamed from Yuanpei University of Science and Technology on August 1, 2014)	2012.11.12 2017.07.20
18.	Chia Nan University of Pharmacy & Science	Department of Food Science and Technology (four-year full-time technical program) Department of Food Science and Technology (four-year continuing education technical program) (The school was renamed from Chia Nan College of Pharmacy and Science on February 1, 2014)	2012.11.12
19.	Tajen University	Department of Food Science & Technology—Division of Food Technology and Applications (four-year full-time technical program) Department of Food Science & Technology—Division of Health Care and Nutrition (four-year full-time technical program) Department of Food Science & Technology—Division of Health Care and Nutrition (four-year continuing education technical program)	2013.10.29
		Department of Food Science & Technology—Division of Food Technology and Management (four-year full-time technical program) Department of Food Science & Technology—Division of Food Technology and Management Division (four-year continuing education technical program)	2014.03.24

No.	School Name	Department Name	Date of Promulgation
		Department of Food Science & Technology (four-year full-time technical program)	2018.10.31
20.	Da-Yeh University	Department of Bioindustry Technology (undergraduate and continuing education bachelor's degree programs)	2016.11.04
21.	Chung Hwa University of Medical Technology	Department of Food Science and Biotechnology (full-time program)	2017.05.23
22.	Chung Chou University of Science and Technology	Department of Health Food (four-year full-time technical program) Department of Health Food (four-year continuing education technical program)	2018.07.30
23.	Taipei Medical University	School of Food Safety (undergraduate program)	2019.07.30
24.	Chung Shan Medical University	Department of Health Diet and Industry Management (undergraduate program)	2019.10.18

Note: The MOEX will continue reviewing the department, division, graduate institute, or program in environmental engineering at a public or registered private junior college or a higher-level educational institution in the ROC and foreign junior colleges and higher-level educational institutions that are recognized by the Ministry of Education. Updated information can be found on the MOEX homepage > Relevant Laws > Professional and Technical Exams > Professional and Technical Examinations Regulations for Examinations Open to Foreigners > Senior Professional and Technical Examinations Regulations for Engineers.
